Letter of Protest - Docket No. 2022-88-T

To whom it may concern,

Applicant, David Swanner was the plaintiff in a lawsuit that resulted in a judgment requiring S&W Transport to cease operations and dissolve the company as of 12/31/21. He ceased operations in March of 2022. Now he is attempting to start another company while replacing active SC license plates from a remaining vehicle in the former fleet (*ORS Regulated*) with his expired license plate of his personal vehicle. This action is illegal.

According to Section 16-21-50 of the SC Code of Laws: "Removing or affixing license plates to conceal or misrepresent identity of vehicle or owner..." is guilty of a misdemeanor.

This was done in full view of the public with multiple witnesses. This shows a blatant disregard for the laws of the SC Department of Motor Vehicles and, by extension, a disregard for the letter of the law. If granted an ORS certificate, one can be all but assured that this disregard will continue and possibly violate Federal HIPPA compliance laws.

On March 14, the county police were dispatched to the incident and this record of information can be obtained via FIOA Request from Horry County Police Department. Witness statement(s), picture(s) of the act and other supportive documents can also be provided per request.

Incident Location: 3454 Waccamaw Blvd, Unit C, Myrtle Beach, SC 29579. Which is an exact match to application address for My Ride SC, LLC.

Please accept this letter of protest to the application in Docket No. 2022-88-T due to applicant conducting an illegal act.

Respectfully,

Brandy Gasque
